## AKTIVITY | RECOMMENDATION

### **EIGER | The North Face (Stollenloch)**

Unlimited Limits - an exclusive program as a group! Thousands of stories and dramas have taken place on the Eiger, leading to our fascination of this rough, haughty, powerful and extremely impressive mountain face. At 2000m of altitude, this is a starting point usually reserved for the bravest alpinists who, after summiting, are rewarded with a serene and breathtaking view of Grindelwald. Until now...

With us, you may exclusively experience this world famous face; without hardly ever leaving the comfort of your seat on the train. You will be professionally guided out of the gallery, roped up by our guides only to feel a surge of adrenaline and the fresh mountain breeze blowing in your face!

### **EIGER VISION | A quantum of difference...**

We are shaped by the valley we live in: Eiger Vision will guide you through your own individual event at a steady, calm, competent and reliable pace, just as we envision the landscape which surrounds us. At the same time, we can tailor your needs and customize your program with our fresh and innovative creativity.
